GOVERNOR JOHNSON PLAINLY OPPOSED TO THE INTERESTS OF PEOPLE OF SAN MATEO COUNTY

RETARDS DEVELOPMENT OF COAST SIDE

Refused Sanction of Small Legislative Appropriation to Aid County in Coustruction of Road From Pescadero to Big Basin Park

Are the people of San Mateo County ready to assist in the return to office of a man who has proven that he is opposed to their interests? Are they prepared to again place in the office of Governor a man who has shown by his official acts that this county can expect neither sympathy nor aid in their desire for material progress? If they are not—if they believe that San Mateo County has a right to its share of public money spent for internal development—they will vote against Hiram Johnson for Governor next Tuesday.

That the people of San Mateo County can expect no aid from Governor Johnson in their efforts to keep pace with modern progress is proven by the official record of his acts. His refusal to approve a miserably small appropriation of $10,000 voted at the last session of the Legislature to aid the county in the construction of a road from Pescadero to the Big Basin Redwood Park in Santa Cruz County—an improvement which would have been of great aid in the development of the coast side—can be cited as one of the most glaring of a number of these unfriendly exhibitions.

Passage of the bill providing for this appropriation was secured by Assemblyman Brown near the close of the last session of the Legislature. The amount provided for was expected to cover but a small portion of the cost of the road, it being expressly provided that before the appropriation should become available the Board of Supervisors should by resolution agree that the County would provide the remainder of the sum necessary for construction and guarantee the upkeep of the road. Certainly this was a fair proposition. Yet, in spite of the fact that this was the only State appropriation granted to San Mateo County in more than a decade and that the road would have been of inestimable value to the people of this entire section of the State, Governor Johnson showed his opposition to the interests of the county by refusing his approval of the bill. Certainly this should be fair warning to the voters of San Mateo county, especially to those of the coast side, whose interests were most directly attacked.

That Governor Johnson was fully informed of the facts surrounding the case is shown by the subjoined communication to him from Assemblyman Brown after the bill was placed in his hands for consideration:

Colma, Cal., June 6th, 1913.

Hon. Hiram W. Johnson, Governor of the State of California, Sacramento, Cal., Dear Sir—Assembly Bill No. 285, carrying an appropriation of $10,000, to be expended in the locating, surveying and construction of a road from near Pescadero in San Mateo county, to the California Redwood Park in Santa Cruz county is before you for consideration.

The appropriation is made available "only in the event that the board of supervisors of the County of San Mateo file with the state controller resolutions pledging said county to the completion and maintenance of said highway."

I can assure you, that this road is much needed by the traveling public wishing to visit the park, and that it will provide an entrance to the park from the coast side, which has long been wanted by the people of this and nearby counties. There is now a road to the park on its east side, via Boulder Creek in Santa Cruz county.

This proposed road from Pescadero, will be the most direct and shortest route into the park from San Francisco, the distance being about sixty miles. It will be equally advantageous to persons coming up the coast from Santa Cruz, and points south. It will be very popular with tourists. It will be at all times available, and when the Ocean Shore railroad is completed to Santa Cruz, (which, it is to be hoped will occur sometime in the near future,) this road will make the park easily accessible to the people desiring to make a trip to it at small expense, and in the quickest possible time.

A survey was made some years ago by the Surveyor of San Mateo county, by direction of its board of supervisors. He found that a road with an excellent grade, could be constructed from Pescadero at a very reasonable cost. The board of supervisors at that time had underconsideration the proposition to build it, if they could get a small appropriation from the state. I therefore introduced a bill in the assembly asking that an appropriation from the state. This was I think, in 1903.

The roads leading to Pescadero in San Mateo county, on the coast side, as well as those via San Mateo to Halfmoon Bay, and that by Woodside and La Honda, are excellent highways, and are kept in good condition, and are fair automobile roads. So that if a road were constructed through the park, (as is contemplated) a party could leave San Francisco by automobile in the morning, and by going to Pescadero over any of the roads in San Mateo county leading there, could easily make the park in a few hours; could traverse it, and by passing out of it by the road on the east side, could return to San Francisco by an entirely different route from that used in going to it, and make the round trip easily in a day, allowing ample time for a stop in the park to inspect and admire its wonderful trees and beautiful scenery.

San Mateo county has recently voted to spend $1,250,000 on its highways, and the time is very opportune to get the board of supervisors to agree to contribute whatever amount may be necessary to build this road, in excess of that allowed by the state, and for them also to agree to maintain the road as required by the act.

The appropriation given is small, and if you shall approve the bill, it will be the first money which San Mateo county has received from the state, for any purpose, during the ten years and more that I have had the honor to represent the county in the legislature.

There certainly should be a short and direct route to the Redwood Park from San Francisco, and coast points, and this road if constructed will supply it.

Very truly yours,
HENRY WARD BROWN

Mayor Geo. A. Merrill, of this city, who holds an enviable reputation of having actively assisted in many San Mateo county improvements, is an enthusiastic worker in the campaign of Chas. M. Morse, the Progressive candidate for the Assembly for San Mateo county. He calls attention to the fact that Morse has already proved his worth to the public in such practical matters as securing reduction of passenger rates along the Peninsula and starting the fight which drained the swamp lands and thereby ended the mosquito plague. No other candidate for the Assembly points to such a record of practical achievements entirely without compensation.

Kayser "Wonderfoot" Silk Stocking

With reinforced garter hem. As its name implies, truly a "Wonderfoot." The foot is protected against wear through an inter weaving of lisle thread on the sole, heel and toe. This interweaving of lisle thread, which does not show on the outer side, so strengthens the wearing qualities of the foot that it will outwear the rest of the stocking, and in no way mar its beauty. The elegance of silk stockings makes them the preference of the gentlewoman, who frequently hesitates to buy them on account of their poor wear. The "Wonderfoot" has overcome this objection. This feature, together with the Reinforced Garter Top, which defies the destructive clasp of the hose supporter, makes a silk stocking that owing to its reinforced qualities is more durable than even a lisle thread stocking, the foot being a combination of both lisle thread and silk. To secure the genuine, look in the hem for the words, "Kayser's Re-inforced Garter Hem;" on the sole for the word "Wonderfoot."

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

For Governor,
JOHN D. FREDERICKS.

A vote for John D. Fredericks will be a vote to stop the drain of the public treasury.

The best citizens are with Sheehan, they want a sheriff who considers a public office a public trust

Make the vote for E. A. Hayes for congress overwhelming. He is doing good work for his district in Washington. Keep him there.

Let's see. John M. Eshleman's salary as Railroad Commissioner is $833 a month. And he is earning it—traveling over the state boosting for Boss Hiram.

Vote for Joseph R. Knowland and send an experienced legislator to Washington. He can do more for the state than any other man.

Which do you prefer for Governor—a man who will stay at home and attend to the business for which he is paid by your money, or one who will spend his time traveling over the country in the interest of his own political ambitions?

Vote for Edward Hyatt for State Superintendent of Schools. The State needs him. The schools need him. He has been weighed in the balance and has not been found wanting. Vote for Edward Hyatt for State Superintendent of Public Instruction.

Every Republican voter should cast his ballot next Tuesday for Jo. V. Snyder, the Democratic nominee for lieutenant governor. The Republican party has no nominee for that place, it was stolen by Eshleman. Therefore vote for Snyder and show your disapproval of such methods practiced by the Progressive party.

It is very generally admitted that E. A. Hayes has little or no opposition for re-election to Congress, yet we advise all Republicans to vote and work for Mr. Hayes next Tuesday, for no one can tell what may happen if Republicans relax in their vigilance in this important duty. Be sure and vote for E. A. Hayes for Congress.

Every Republican on next Tuesday should cast his ballot for Joseph R. Knowland. Mr. Knowland has had ten years experience in congress as a representative of Alameda county as well as serving his country in the state legislature for several terms. He is an honest, fearless man who has always battled for the best interests of California. No better representative could be selected to represente the state at Washington.

All the voters of San Mateocounty are requested to write in the name of Samuel M. Shortridge on the blank on the ballot under the heading, "Chief Justice of the Supreme Court, (short term.) Vote for one." A vacancy will exist from election day to the first of the new year in the office of Chief Justice and it behooves every voter to write in the name of Samuel M. Shortridge. He is a San Mateo county man and will do honor to the position. Be sure to write his name in the space indicated.

Sheehan will not work the sheriff's office but will work for you.

IS PROHIBITION THE REMEDY?

From the Monitor, official organ of the Catholic Archdiocese of California.

It is difficult to understand how some good people are led to believe in Prohibition as a solution of the liquor problem. There are those whose lives have been wrecked by the liquor traffic; and in desperation they cry out to crush that traffic in order to save the bodies and souls of those they love. For such unhappy people there can be nothing but the tenderest sympathy.

But while we sympathize we must reason, too. And reason tells us that the very thing for which the Prohibitionist cries so loudly is not, in reality, what he wants at all. To end the misery wrought by intemperance is the aim in view. But Intemperance is the evil. Then it is Intemperance that should be removed. And Intemperance never was and never will be done away with by the forcible prohibition of the sale of liquor. This is proven beyond dispute. We must go further and deeper and nearer home than the liquor dealer to remove the liquor evil. We must go to the liquor drinker. He it is who must be regulated—and not all the laws in the universe will wholly accomplish that. His character, his soul, must be reached and trained and strengthened and fortified. If this is not done, all the Prohibition laws in the country will not keep him from his drink. He will get his liquor illicitly if he cannot get it lawfully.

Cardinal Gibbons, in a recent interview, gave a clear and brief statement of the futility of Prohibition as a remedy for the liquor evil. "While I am an ardent advocate of temperance," said the Cardinal, "I am intuitively persuaded that Prohibition can never be enforced. It is calculated to make hypocrites and to lead to the manufacture of illicit whisky, replacing the good material with bad, while at the same time robbing the Government of a legitimate tax. Prohibition will never be enforced in any Christian country."

CAN'T DELIVER THE GOODS.

Evidently the efforts of a few scheming politicians within the ranks of organized labor to stampede, for the furtherance of their own selfish ends, the votes of the laboring people of the state to Hiram Johnson are not meeting with the success for which they had fondly hoped. Nor is this at all surprising. As a rule, the men and women who comprise the rank and file of organized labor are people of intelligence, accustomed to think for themselves and thoroughly informed as to their needs and the best means of accomplishing the ends desired.

That the members of orgaized labor do not intend that they shall be lead blindly to the slaughter, is evidenced by the formation among the elements of the various labor organizations of clubs advocating and earnestly working for the election of Captain John D. Fredericks. One of the strongest and most active of these is the Union Labor Club of San Francisco, composed of members of the several sections of organized labor of that city. At a recent meeting of this club the following resolutions, which emphatically repudiate the claims of the so-called labor leaders of their ability to "deliver" the labor vote of the state to the Progressive candidate:

Whereas—The present state administration, headed by Hiram W. Johnson, while boasting of its services to the laboring men of the state, has spent its time doing politics instead of really looking after the welfare of labor—the rank and file of the workingmen—and in lining up many labor "leaders" for the Johnson cause; and

Whereas—Instead of a full dinner pail, the Johnson administration has given us a full list of office holders, political henchmen, workers not for the people of the State but for the so-called "Progressive" party; and

Whereas—During the first two years of its administration the Third Party placed everybody it could depend upon to take its orders in State offices, and during the second two years, after letting out all employees who would not take "Progressive" orders, blanketed all these employees under Civil Service; and

Whereas—Applicants for State positions were made to appear not only before the Civil Service Commission but also before a special committee which investigated the applicants' political faith and dropped all who were not in sympathy with the administration's pet brand of belief; therefore, be it

Resolved—That we, the Union Labor Club, do condemn the log-rolling and petty politics of the present State administration headed by Hiram W. Johnson; and be it further

Resolved, That we condemn the actions of those labor leaders who, for the sake of political advantage and not for the interests of the laboring men they are pledged to work for, are attempting to deliver the labor forces to the Third Party candidate; be it further

Resolved, That we repudiate the claims of the so-called "Progressive" party to labor's vote; and be it further

Resolved, That we heartily endorse the candidacy of Captain John D. Fredericks, Republican nominee for Governor, believing that with his election the claims of labor will receive their just consideration and that the prosperity which will follow his election will bring us again the chance to work and the "full dinner pail."

Sheehan is a veteran of efficient public service.

SEVERAL GOOD REASONS.

That both Johnson and Heney will be defeated next Tuesday may be safely predicted as a certainty. Neither can expect any appreciable support from members of the Republican party. The Republicans of California are too intelligent and well informed on conditions to be led astray by false promises. They know the reasons why these two men should be buried under a veritable avalanche of votes.

They know that these men are responsible for the enactment of laws that have driven away capital and caused a decrease of $876,113,702.50 in investment in two years as shown by the figures in the office of the Secretary of State.

They know that these men are responsible for the collection of $2,234,490.42 more taxes in 1913 than in 1912, and yet the schools of the state were paid $281,933.77 less than that in 1912.

They know that since Hiram Johnson took office the appropriations for state commissions have increased $1,610,965, of which sum $806,270 was spent on new commissions made up of Johnson supporters.

They know that the administration of Hiram Johnson cost the people of California $11,676,049.68 more than that of James N. Gillette, and $17,597,084.90 more than that of Pardee.

They know that this money has been largely spent in building up a political machine for the perpetuation of Hiram Johnson in power and they realize a halt must be called.

They know the election of John D. Fredericks means the inauguration of an era of economy, a dismissal of useless office-holders numbering nearly 5,000, the enactment of laws under which capital will not remain outside but will come to California; they know the election of Fredericks and the Republican ticket means returning California to the column of states which stand for protection to American interests.

And knowing this, they will elect the Republican state ticket by a plurality of more than 150,000, and will send a solid Republican delegation to the lower House and a Republican to the United States Senate.

As a parting political word of advice we herewith urge the candidacy of Judge John D. Murphey for Justice of the Supreme Court. Judge Murphey was born in California, gradauted from the State University, was four years county clerk, four years district attorney and twelve years Superior Judge of Mono county. This service has qualified him for the position to which he now aspires.

No advance in salary for Sheehan, he is going to show a sheriff's office well administered.

BELMONT NOTES.

Things are doing around the school yards these last few days. New swings are going up and the tennis court is being put in shape. A little lawn such as we findaround the schools in various parts of the county might lend a more pleasing appearance to these premises which certainly have been very attractive in the past.

WOODSIDE AND PORTOLA

Miss Addie Tripp gave a dance party in Independence hall last Saturday evening in honor of her friend ,Mrs. Cazeaux. A great number of invitations were issued and there was a generous response from the recipients. All the old-time dances, such as the quadrille, lancers, Virginia reel and others, were inndulged in. Wm. Shine, who has been a resident of Mendocino county for the past fourteen years, was in town during the week, calling on friends.

There are 185 registered voters in Woodside this year. This is a small falling off from that of two years ago. It is safe to say that fully 125 of these will be for Fredericks for Governor.

M. Sheehan, the popular candidate for Sheriff, will carry Woodside by an enormous vote. A straw vote was held here during the week. Of the 25 votes cast 20 were for Sheehan and five for Mansfield. This is a fair indication of how the vote will be on next Tuesday.

FROM THE COAST SIDE.

Mrs. Mary Sylvar, an old and highly respected resident of the coastside, died at the home of her daughter, Mrs. Edward Gonzales, at Halfmoon Bay, on Sunday of last week after a long and painfuul illness. Deceased was a native of Portugal and 60 years of age.

People here know his splendid personal integrity, which is accepted as a guarantee that the office in his hands will be conducted without faroritism and to the best interests of the whole county.

Former District Attorney Joe Bullock, visited Halfmoon Bay this week on legal business. His many friends here were glad to greet him; he is the picture of good health and prosperity.

M. Sheehan is going to receive a splendid vote here next Tuesday. A canvass of the voters was made here during the week and it was learned that he will be given a majority of over 100. Everyone here appears to be for Sheehan. All the voters know him to be a fearless officer, who will put a stop to gambling and close up blind pigs that now seem to have full sway in the county. CONTINUE THE GOOD WORK.

The San Mateo News in commenting upon the action of the board of supervisors for closing certain gambling houses in Visitacion, congratulates the supervisors and the district attorney for their efforts. The news also makes some startling statements in this connection which should be read by every voter. Here is what the News says:

"But there is one thing The News can not uderstand, and that is why it is necessary for the taxpayers of the county to spend their good money to employ special detectives to obtain evidence against gamblers or others who violate the law. The county already has a sheriff, several deputy sheriffs, seven constables and four motorcycle policemen on its payroll, not to mention the peace officers employed by the several municipalities. And yet it is found necessary to employ San Francisco detectives to gather evidence against the gamblers.

"While The News is on the subject of gambling, it might bewell to suggest that the county conduct a little investigation into the gambling stuaton in other places besides Visitacion Valley. There is at least one place in the north end of the county, and possibly two, where gambling is said to be carried on quite openly. It is public gossip in that section that the Villa Mateo is not in business solely for the purpose of selling drinks and the men interested in its management always have been identified with San Francisco gambling interests.

"San Mateo county should not stop ,with the Visitacion cases, but should wipe out every gambling resort in the north end, no matter whose toes are trod on during the investigation.

46. Drugless Practice.

This is a fraud of the first water, framed in the interest of a lot of quacks.

Under the present law in California, drugless healers who have anything like a decent education have a chance to obtain licenses.

This Amendment would give a license to any "drugless practioner" who could prove he had practiced drugless healing for six months prior to tha passage of this Act—no matter how great a charlatan and bilk he has been and is.

SUPERVISORS HOLD SPECIAL MEETING

The Board of Supervisors met in adjourned session Monday, October 26th, there being present Wm. H. Brown, presiding, Jas. T. Casey, John MacBain, Jos. M. Francis and D. E. Blackburn.

The following bids were opened for constructing a concrete culvert and retaining wall on the Sawyer Camp road in the Second township, the estimated cost of which was $850:

C. A. Buck, $1000.
Barret & Hilp, $799.
M. B. Wiggins, $1311.25.

On motion of MacBain, seconded by Casey, the contract was awarded to Barret & Hilp, they being the lowest bidders.

The following bids were opened for constructing the road through the County Farm property from the Belmont road to the San Mateo to Halfmoon Bay road, the estimated cost of which was $9969.20:

A. Hess, $10,787.
J. E. Casey, $13,030.20.
Fred Leffler, $13,130; for proposition No. 2, $14,131.

The bids were laid over until the afternoon session.

The charges of conducting a disorderly place preferred against Wm. R. Markt, a saloonkeeper at Visitacion, by the District Attorney, were taken up for consideration.

District Attorney Swart introduced the testimony of Rev. C. G. Watson of San Francisco, Mrs. Mary C. Bell of the Juvenile Protective Association of San Francisco, and G. W. Galiway, a detective, all of which tended to establish the bad repute of Markt's place.

Two numerously signed petitions were also presented by Mr. Swart, protesting against the issuance of a new license to Markt.

J. J. Bullock, representing Markt, presented two petitions, signed by 274 men and women, citizens of visitacion, testifying to the good repute of Markt's establishment.

In addition Mr. Bullock introduced the testimony of W. G. Logan, Under Sheriff Shields and Peter Testa in behalf of Markt, after which the hearing was continued until afternoon.

W. B. Lawrence, representing the Spring Valley Water Company, presented a deed granting to the county two strips of land forty feet wide for a county road in the vicinity of the County Farm, which was accepted on motion of Casey, seconded by MacBain.

MacBain presented the application of Mrs. John Freeman of Menlo Park for assistance and testified that the husband of the applicant was dangerously ill and both were in destitute circumstances. He had provided supplies for their immediate relief. On his motion, seconded by Casey, Mrs. Freeman was granted $15 monthly, payments to date from October 1st.

On motion of Casey, seconded by MacBain, Mrs. Stone of Daly City was granted temporary aid to the amount of $8 monthly, payments to date from October 1st.

Deputy Sheriff Parker, in charge of the County Jail, stated that he had two prisoners, David Hamilton and John Wilson, who were fit subjects for the County Hospital. It was the order of the Board that they be taken to the hospital.

The charges against W. R. Markt were again taken up.

A communication was received from the County Center protesting against the issuance of a license to him.

J. T. Vinal, George Harrington and George Peterson were called by Attorney Bullock and gave additional testimony in Markt's behalf, after which the case was argued and submitted to the board.

The charges against Peter Testa of Visitacion, also accused of conducting a disorderly place, were taken up.

John B. Willard, representing Testa, introduced the testimony of G. W. Galloway, Peter Testa, Joseph Lercari and Geo. F. Delaney on behalf of his client.

The case was argued by the District Attorney and Willard, after which it was submitted to the board.

It was ordered on motion of MacBain, seconded by Francis, that Testa's license be revoked.

The same motion by MacBain, seconded by Francis, prevailed in regard to Markt's license.

Henry Kempf of Colma appeared before the Board and asked that he be allowed $500 for a culvert right of way throught his property for the purpose of carrying off the flood waters. On the suggestion of MacBain, the matter was referred to the State Highway Commission.

Supervisor MacBain presented the following letter relative to the purchase of a site for a new county Jail:

"To the Honorable Board of Supervisors of San Mateo county—Gentlemen: I beg to submit the following offer for sale of property situated on Broadway and Webster streets, Redwood City, known as the Drew Building, and adjacent lots, having a total frontage of one hundred feet on each of said streets. I understand that you have obtained appraisements of this property, one appraisement showing a valuation of $24,600, and another showing a valuation of $26,500. I will accept for the property the amount of the lesser appraisement on the following terms: An initial payment of not less than $10,000, to be made on or before December 10, 1914, balance to be paid in any reasonable installments that may be convenient to the county, deferred payments to bear interest at the rate of six per cent per annum, purchaser to pay for appraisement and other expenses incidental to transfer of title. If it is your intention to sell the lots in block 15, Eastern Addition of Redwood City, where the County jail is now located, I will agree to submit therefor a bid equal in amount to the lesser of the appraisements recently obtained by you for said lots, the amount derived from said lots to be applied on account of deferred payments for Drew property.

"Very respectfully, Wm. J. Drew.
"Redwood City, Oct. 5, 1914."

The communication was laid over until the next meeting.

The claim of the Barre estate for $1000 for right of way in the Second township was ordered paid.

The bids presented during the forenoon session for constructing the road through the County Farm were taken up. It was the opinion of the Board that the bids were excessive, being much higher tha the Surveyor's estimate.

W. B. Lawrence addressed the board and advised that the work be done by the county, which plan would be economical.

The District Attorney advised that such action was within the board's power if in the interest of economy.

It was ordered on motion of Francis, seconded by Casey, that the bids be rejected and that the road be constructed under the supervision of the Surveyor and the Supervisor of the Second township, Mr. Lawrence offering to give assistance.

The District Attorney presented the deed of the Spring Valley Water Company to the county for a roadway to Lake Merced, which he approved and the deed was accepted on motion of Casey, seconded by MacBain.

Adjourned to Monday, Nov. 2d.

WORKMAN AT SALT WORKS IS FRIGHTFULLY INJURED

John Ventrallo, a young Italian, aged 22 years, employed at the Stauffer Salt Works, met with a frightful accident Tuesday which resulted in the loss of his right leg. Ventrallo, who was working on the salt elevator, had occasion to climb to the top of the machine, which he had done in the course of his duties hundreds of times. In some unaccountable manner he missed his footing and fell into the machinery, his right foot slipping between two cogwheels and was drawn into the gear until his leg was crushed to a pulp above the knee. Ventrallo's cries brought his fellow workers to his help and the machinery was stopped and the unfortunate man, fainting, was taken out of the machinery.

Dr. Ross was hastily summoned and after stopping the flow of blood hurried Ventrallo to the San Mateo Red Cross hospital, where his leg was amputated, as well as one finger of his left hand. The injured man has survived the shock and it is believed will recover. Mr. Stauffer has given orders that he be given every attention. He is protected by the accident insurance.

This is the first serious accident that has happened at the salt works since it was established, twelve years ago.

JO. V. SNYDER FOR LIEUTENANT GOVERNOR

All the world admires a self-mad man. Jo. V. Snyder, Democratic nominee for Lieutenant Governor, is the architect of his own fortune. Starting as a printer's apprentice, Snyder served in all the branches of his occupation and finally became the owner and editor of his own paper, an influential Nevada county journal. Snyder has served his county in the legislature with distinction and is looked upon as one of the State's progressive and loyal citizens. As a prominent member of the Native Sons he has a wide and warm acquaintance and is believed to be a sure winner. A vote for Snyder will be a mark of encouragement to an able and worthy citizen.

POLISHED PEBBLES OPERA WILL DRAW LARGE CROWD

The intérest that is being manifested in Redwood and vicinity in the production of Mr. Carrington's second opereita, "Polished Pebbles," is growing stronger every day, and the two nights' performance is likely to prove one of the most enthusiastic entertainments ever put on in the Alhambra. Several persons from out of town, even, are coming to Redwood to witness the production. While Miriam Mecredy has one of the leading parts, there are several others of equal importance. Marie McAuliffe has a role which is as strong, or even stronger than the lead, and she is very ably supported by Lorraine Dickey and Hazel Lamb, who take the part of her daughters. Rose Lanfear and Oscar Olson, who take off the typical country girl and boy, are very amusing, and their musical parts will be very pleasing. The action takes place in the country, and the scen is simply a part of the yard of a country home. Tickets are being sold, which are good for either performance. Reservations may be made at Ryan's drug store, beginning Monday, at noon.

Fraternal Aid Union.

The Fraternal Aid Union held its regular meeting Tuesday evening, and had a very large attendance. At the close of the business session refreshments were served, after which the president was hostess for a "progressive five-hundred' game. The ladies' first prize was won by Miss Ulrica Sahlberg and the gentlemen's first prize was won by Emil Medefind.

This week the grammar-school children contributed $7.06 for the Pioneer Mothers' Mounment fund, in sums of from one to five cents. The money was paid to Mrs. J. J. Read for the Native Daughters.

ASHTMA AND HAY FEVER A GUARANTEED TREATMENT

"I have arranged with P. A. Ryan so that every sufferer from Asthma, Hay Fever or Bronchial Asthma in Redwood City can try my treatment entirely at my risk," Dr. Rudolph Schiffmann announces. He says: "Buy a 50-cent package of my Asthmador or Asthmador Cigarettes, try it, and if it does not afford you immediate relief, or if you do not find it the best remedy you have ever used, take it back to P. A. Ryan and they will return your money, cheerfully and without any question whatever. After seeing the grateful relief it has afforded in hundreds of cases, which had been considered incurable, and which had been given up in despair, I know what it will do. I am so sure that it will do the same with others that I am not afraid to guarantee it will relieve instantaneously. The druggist handling Asthmador will return your money if you say so. You are to be the sole judge and under this positive guarantee, absolutely no risk is run in buying Asthmador."

Persons living elsewhere will be supplied under the same guarautee by their local druggist or direct by Dr. R. Schiffmann, St. Paul, Minn. Advt.

Passed Away in San Jose.

David McMullen, for many years a resident of this city, and vicinity, passed away in San Jose Monday after a long illness. The deceased was a native of Ireland, aged 54 years. He was a cousin of Thomas Stott of this city. His funeral took place Wednesday from Foresters' hall under the auspices of Metamora Tribe of Redmen. Rev. David Crabtree conducted religious services. The interment was in Cypress Lawn cemetery. The deceased was unmarried and is survived by a sister and brother.

Alex Wilson, book-keeper for Balfour Guthrie of San Francisco, was in Redwood City Saturday completing arrangements for the erection of a new home in Dingee Park. Mr. Wilson lived in Redwood City in 1908-1909 and feels that this is the best place for a home within reach of San Francisco.

EVENING OF GREAT FUN; OLD-FASHIONED SCHOOL

On Saturday evening, Nov. 21st, there will be an entertainment in this city which old and young will enjoy alike, and to which everybody is invited. It is called on "Old Country School." Prof. McCrea will be the teacher and will bring his stout hickory stick along. He promises to give Roy Cloud and Mrs. Porter and others a good licking if their conduct doesn't improve. It is also a sure thing that Stuart Frank will get his.

After the school is over a spelling bee is going to be held. All the champion spellers of the county are invited to either show their ignorance or to look on.

Prizes will be given to the four spellers who are on their feet after everybody else has been spelled down.

There will be "some time," and the audience will be spell-bound for quite a spell. Don't blame the editor—this item is contributed.

Mrs. Geo. A. Merrill was a card hostess on Saturday afternoon, opening her Wellesley Park home in the interest of Pioneer Mothers'-day. Many of Mrs. Merrill's friends enjoyed her hospitality and the opportunity to aid her in the work of raising funds for the monument to be erected on the exposition grounds.

Andrews, the jeweler in the Sequoia building has an interesting display of ancient currency in the show window of his store. The bills which were issued between 1770 and 1776 and circulated in the American colonies are in a good state of preservation, but crudely engraved and printed. The collection is valuable.

Shall We Elect Phelan or Knowland to Represent California in the United States Senate?

President Wilson

James D. Phelan

WHAT JAMES D. PHELAN SAID OF WOODROW WILSON—

James D. Phelan says that Woodrow Wilson sits in the White House on guard, an ideal public servant, caring for the interests of what he calls the "voiceless body of the people."

From a speech delivered by James D. Phelan at San Rafael, September, 1914.

WHAT THE PRESIDENT SAID OF JAMES D. PHELAN—

President Wilson says: "I was most gratified to hear of the nomination of James D. Phelan for United States Senator. He has been in close touch with the Administration at Washington, and has heartily supported the policies which have been inaugurated for the benefit of the people, policies, which I am pleased to be informed, have met with very general approval."

From a letter written September 11, 1914, by President Wilson.

WHAT JOSEPH R. KNOWLAND SAID OF PRESIDENT WILSON—

Knowland charged the President of the United States, Woodrow Wilson, with secretly meeting emissaries of England on holidays and Sundays and implying that a trade with England was consummated which betrayed the best interests of the people of the United States.

Speech of Jos. R. Knowland in House of Representatives, March 28, 1914.

WHAT THE PRESIDENT SAID OF JOSEPH R. KNOWLAND—

President Wilson said that the speech of Knowland was "just the crowning insult of a number of insults which had been introduced in that debate."

Sheehan's Friends Confident.

As the campaign draws to a close the many friends of M. Sheehan feelmore confident than ever that he will be elected by ahandsome majority. From all sections of the county comes the report that he is receiving support from voters of every class and shade of political belief, and from these reports it is believed that Mr. Sheehan will carry every precinct in San Mateo county with the single exception of Redwood City and here the vote will be very close. Mr. Sheehan is fully qualified to handle the business of the sheriff's office for his experience as constable of the Second township and as probation officer peculiarly fit him for the duties of the place. If he is elected gambling in the north end will stop and the laws will be strictly enforced. No special privileges will be enjoyed under his administration, friends will not be favored, nor will enemies be punished. All will be treated alike and the good name of the county upheld. Sheehan is the proper man for the place, therefore vote for him, make his majority overwhelming.

CRIME NO. 46

"The Drugless Healer Act." initiative measure 46 on the election ballot to be voted for November 3d, is nothing less than a crime; it has been put on the ballot largely through misrepresentation to those who signed the initiative petition.

It would license anyone who has practiced any sort of drugless healing for six months previous; chiropidists, barbers, masseurs, etc., and without any consideration of education, good moral character, etc.

All this horde of ignorat, illiterate quacks and worse would be authorized to use the designation "Dr." and call themselves "doctor." They may not prescribe medicines, but they may do any sort of surgery; they may not give an ointment for a sore arm, but they may cut it off. They are authorized to sign birth and death certificates and any other public certificates or documents required to be signed by a doctor.

It would not directly hurt the medical profession but it would be a calamity to the public who cannot discriminate between unknown people when they are called alike "doctor." There would be no way for the innocent, sick stranger to know whether he was calling in a quack or a regular physician, and he would be the sufferer.

If the initiative is carried at the election, it becomes a law without further action by the legislature; the matter will be settled on November 3d at the polls. Initiative No. 46 should be voted down by the people for their own protection.

Intererting Paragraphs of General Interest Gathered About the Town

Sheehan means efficiency in public office.

Dr. Werder and Max Selzer of Oakland were here last Sunday and visited the flower show at Palo Alto. Both were quite enthusiastic about the wonderful display.

Charles George, a veteran of the Civil War, received word during the week from Washington to the effect that his pension had been increased from $16 to $22 a month. He received a large sum as back pension.

Several grass fires were started around Atherton on Wednesday which many believe were of incendiary origin. The fire alarm sounded several times during the day and the fire was put out each time. Property owners at that locality are making an investigation.

On next Tuseday, M. Sheehan, the popular candidate for sheriff, will have the whole town boosting for him. It is believed he will receive two votes for everyone received by his opponent. The voters are going to give him a tremendous majority in the two local precincts. This is as it should be, for if elected he will enforce the laws.

The remains of Beach Thompson who died in New York last Friday, were cremated at that place on Saturday. The ashes will arrive here today. The deceased maintained a handsome home at Atherton and was president of the Fair Oaks Country Club. He was an engineer of national reputation. Mr. Thompson was among the first graduates of Stanford. He leaves a widow and an adopted daughter to mourn him.

Sheehan believes that the salary and fees of the sheriff's ofice are sufficient to give the people the best of service.

Last Sunday while M. Satturi was motoring on the highway, he collided with E. Delyon, who was riding a bicycle. Delyno was thrown to the ground and injured, the bicycle was badly damaged. Editor Times-Gazette: Amendment No. 18 will be voted upon Tuesday and a vote of "Yes" means that we leave the present game laws as they are now with their excellent protective features, while a vote of "no" means that we throw open the market to the sale of all game.

Numberless misleading arguments have been introduced by those who are working for the sale of game, and chief of these is the one that protective law of the presen permits only the hunter to eat game. This is not so. Who ever wishes, may buy ducks during the month of November and geese and rabbits during the entire season. and these are the only kinds of game left that would supply the markets for a month's time, let alone for seasons unlimited. Our deer are almost gone; our quail, even with our protective law and our bag day limit are getting scarcer each year. Where are the wild pigeons that once darkened the sky; and the doves, the snipe and a score or others table deliracies that once inhabited our marshes and our Uplands? Can onyone read the story of the buffalow, how from countless millions he disappeared in the short space of three years, merely because there was a price on his hide and not see what would become of every vestage of game life so valuable to our children and our children's children if we open our markets to its sale, more than they are already open.

I therefore ask all who wish to preserve the game of the state to vote "Yes" on Amendment No 18 on next Tuesday.

G. FRED CLARK,
Menlo Park, Oct. 30, 1914.

W, H. Uaderhill, the candidate for auditor, feels certain of election. His friends everywhere are making the effort of their lives for him. There is hardly any question but that he will receive a majority of the votes on next Tuesday. His friends at San Mateo and Burlingame are rallying to his cause with enthusiasm.

My, My, But what a landslide of votes for Sheehan.

The voters know when they stand by Sheehan that the sher'if's office will always be on the job

A Valuable Experience.

Aside from matters of general concern to the State at large, it may be accepted as a certain fact that measures of special concern to the voters of San Mateo county will be presented for passage at the coming session of the legislature. For this reason it is important that the county should be represented in the Assembly by a man who not only can be trusted to care for the best interests of the community, but one who is in position to secure the results desired. For this reason it is important that Henry Ward Brown should be elected as our representative in the Assembly. Not alone have we the assurance of his past record that he can be depended upon to vote right on the measures in which we are directly concerned, but we have the assurance he will be able to accomplish our desires. Because of his long service in that body and consequent familiarity with its methods, as well as acquaintance with men prominent in legislative work, he will be in a position to secure the adoption of such measures the people of this county may desire. Unquestionably Mr. Brown is the proper man to represent San Mateo county in the Assemby at this time.

Sheehan was high man at the primary—"Coming events cast their shadows before them."

DOINGS ABOUT THE COUNTY OFFICES

The demurrer in the case of Jules Kraus and his wife against the same contractors for $10,000 was also argued by Lawyer Bullock and submitted by the Court for decision.

Divorce Suit Transferred.
